Re: Permissibility of Small Non-household Pets in North Creek Landing

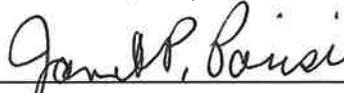

Pursuant to the requirements of the North Carolina General Statutes - North Carolina Planned Community Act, Chapter 47F-2-117, Amendment of declaration, "...the declaration may be amended only by affirmative vote or written agreement signed by lot owners of lots to which at least sixty-seven percent (67%) of the votes in the association are allocated..." the Declaration of Covenants, Conditions and Restrictions of North Creek Landing dated June 12th, 1987 Article 13 - Restrictions on Use and Occupancy, Section g, Paragraph 3 is amended to read as follows:

No poultry, livestock, finfish, shellfish, or animals of any kind shall be raised, bred, or kept on any Lot, except that household pets such as dogs or cats may be kept if they are not kept, bred or maintained for any commercial purpose. All household pets, such as dogs or cats, are the responsibility of their owners to keep them from becoming a nuisance. Notwithstanding the provisions of this paragraph, a limited number of small, non-household "pets" such as egg laying chickens, rabbits, or honey bees are permitted subject to written approval by the Board of Directors and the requirements outlined in a resolution of detailed restrictions for small, non-household "pets".
